Piano Lessons

Last month, Katherine's parents went to a wedding in Hawaii. Katherine couldn't go, so she stayed at her grandmother's house for one week. On the first day, she missed her parents and felt sad. Her grandmother's house didn't have the Internet, and her grandmother watched old TV shows.

The next morning, Katherine heard music. It was coming from the living room. Katherine's grandmother was playing the piano. Katherine said, "Grandma, can you teach me?" Her grandmother looked very excited. She said, "Many years ago, I taught your mother to play the piano, too." They practiced for three hours every day, and Katherine learned four songs.

On Friday, Katherine's parents came back from their trip. They gave Katherine's grandmother some souvenirs, and Katherine played two songs for them. Katherine's father was happy. Katherine's mother said, "You should visit your grandmother more often." Now, Katherine wants to learn more songs, so she will visit her grandmother next month, too.
