A New Pet

Annie lives in Dublin in Ireland. She is a high school student. Last month, Annie started a new part-time job. She loves animals, so she got a job as a dog walker. She walks dogs after school on Wednesdays and Fridays for about two hours each day.

One day last week, Annie was walking home after work, and she saw a kitten on the street. The kitten was very small and white. Annie was worried because it was alone, so she picked it up and took it home. Annie showed her mother the kitten. Her mother said, "We should try to find the owner."

Last weekend, Annie and her mother looked for the kitten's owner. They talked to many people, but no one knew about the kitten. On Sunday afternoon, Annie's mother said, "OK, we can keep the kitten," and Annie was very happy. They gave it a name, "Luna," and Annie loves her new pet.
