大問4C 長文

本文を読み、次ページのQ31-Q35に答えなさい。

The New Student

Kyle is a junior high school student. One day, a new student joined his class. She introduced herself and said, "My name is Anya. I was born in Spain, but I lived in Italy, France, and England." Kyle was excited to meet her.

Later, during English class, the teacher told everyone, "Please work with a partner." Kyle wanted to work with Anya, but Kyle was shy about asking her, so they didn't work together. He thought, "Maybe another student will work with Anya."

At lunch, Anya was sitting alone. The teacher told Kyle, "You should go and eat with her." So, Kyle sat and ate lunch with Anya. Anya was happy when they talked about Europe because she missed her old home. Kyle enjoyed learning about different countries.

After school, they walked home together. They talked about their hobbies and learned about each other's favorite music and movies. Kyle was happy because he had a new friend.
