Healthy Meals

Kate is a high school student, and she loves eating at restaurants and cafés. On weekdays, she usually eats lunch at the school cafeteria with her friends. On weekends, she often eats noodles at restaurants with her cousin.

On her birthday this year, Kate had dinner with her grandparents. They are seventy years old, but they look younger. Kate asked them, "Why do you look so young?" Her grandmother said, "We like cooking at home, and we always make healthy meals." Kate said, "Please teach me how to cook."

The next weekend, Kate went to her grandparents' house. Kate's grandmother said, "Let's make curry with chicken and lots of vegetables for lunch." The curry was easy to make, so Kate was surprised. It was delicious, too. She said, "I'm going to make lots of healthy meals for Mom and Dad, too." Kate still enjoys eating at restaurants and cafés, but she loves making healthy meals at home, too.
